3 <sup>rd</sup> Day of Tashreeq	13 (Mon.)	4	4:48	6:04	12:20	3:45	6:35	8:05

**Makkah:** Latitude: 21.42 Longitude: 39.83 Timezone: GMT +3.00 Altitude: 1017 feet (310 meters) above sea level.  
**Juristic Method:** Standard **Calculation Method:** Umm Al-Qura

**Leaving Arafah: [Very Important]** On the Day of Arafah (9<sup>th</sup> of Dhul-Hijjah) do **NOT** leave Arafah before sunset: **6:38pm**.

**Prayer:** On the Day of Arafah delay Maghrib prayer until you reach Muzdalifah. But in any case, do NOT delay Maghrib and Isha past the middle of the night (**11:42pm**). Pray anywhere if you don't have time to reach Muzdalifah before the middle of the night.

## Leaving Muzdalifah:

- The time to leave Muzdalifah is shortly *before* sunrise (**6:04am**) as the Prophet (peace be upon him) did. Leaving *after* sunrise was a practice of the time of Jahiliya. Spend the time from Fajr to before sunrise in the remembrance of Allah (سبحانه وتعالى).

- Women, children and the weak (and those who accompany them) can leave Muzdalifah *after* the middle of the night: **11:42pm**.
